Call for Papers and Poster Presentations

21–22 January 2027 | **University of Nizwa, Oman**

Theme: The Implementation of Future Skills in the Age of AI: ELT through Digital Pedagogies, Translation, and Literature

About the Conference

The Foundation Institute and the Department of Foreign Languages at the University of Nizwa invite scholars, researchers, educators, language professionals and practitioners from Oman and around the world to submit original research and scholarly contributions. Building on the success of the inaugural conference, the event will examine the evolving landscape of language education in an era of rapid technological and pedagogical transformation.

We welcome original research papers, innovative classroom practices, theoretical perspectives and interdisciplinary contributions across English language teaching, artificial intelligence, digital pedagogies, translation, literature and future skills.

We also welcome education professionals from different academic institutions across Oman are invited to showcase their research, practices, projects, and innovative work through a dedicated Poster Presentation and engage with fellow participants and academics.
