

Faculty Curriculum Vitae

Name Mr. Atef Abusalim	Nationality Jordanian	
Contact PHONE +968 92347652	Email atef@unizwa.edu.om	Address Electrical and Computer Eng. College of Engineering University of Nizwa
Education		
Degree/ Institutes	Discipline	Year
University of Science Malaysia USM (Malaysia), PhD candidate	Power consumption using solar system	Till now
DePaul University (USA). Master Degree	Telecommunication and Computer network Eng.	2007
Tichreen University (Syria) Bachelor Degree	Electronic Engineering,	2002
Academic experiences		
Institute	Rank	Periods
Al_Balqa Applied University- Jordan	Network Administrator	2002 –2007
Applied Science University - Jordan	Lecturer	2007 –2011
Majmaah University- KSA	Lecturer	2011 –2013
University of Nizwa-Oman	Lecturer	2013 – till now
Professional Membership		
Jordan Engineers Association	Member	2001-till date
IEEE	Student membership	2015-till date
Honor and Awards		

Service committee outside and Inside University		
Webste committee chairman	University of Nizwa	2019-till date
Graduation project committee	University of Nizwa	2013-till date
cultural season committee	University of Nizwa	2014-till date
Examiation committee	University of Nizwa	2013-till date
Sympoisyum	University of Nizwa	2014-2017
Quilty committee	University of Nizwa	2014-2015
Distinguished Student Affairs	University of Nizwa	2017-till date
Department board	University of Nizwa	2013-till date
College board	University of Nizwa	2017-2018
Eco house followup committee	University of Nizwa	2015- till date
Journal Publications –Important publications		
1.	Hussein Al Abdulqader, Wael A.kh, Mohamed Faisal Al-Kazee, Atef Abusalim “Maximizing the Effectiveness of Solar Energy System by the Integrated Passive Cooling Strategies of Nizwa Eco-House”, International Conference for Sustainable Design of the Built Environment Sep 2018, UK LONDON
