Dr. Arockiasamy obtained his Master's degree from Bharathidasan University, MPhil and PhD in Computer Science from Bharathiar University, India. His main expertise and research interests are in the field of Image Processing and Data Mining. He is also involved in various Research Projects inside and outside Oman. He is a recognized `PhD supervisor` of several Universities in India and abroad. Three Research Scholars have already completed their PhD in Computer science under his supervision. He has published over 50 Research papers in International / National Journals and conferences to his credit. Dr. Arockiasamy was serving as a Chief Editor of an in-house magazine named "Voice of CEMIS" at University of Nizwa. He has been invited as a keynote speaker in various International / National conferences in India and abroad as well. He is an External Reviewer of various National / International Journals. He has been acting as an External Examiner for evaluating PhD thesis for many Universities in India. Dr. Arockiasamy was a popular writer in a well-established Tamil Newspaper 'Daily Thanthi' for more than 8 years. A full page article on popular computer related topics titled "Computer Jaalam" was published for the benefit of many people. He has written more than 400 articles from March 2004 to December 2010. Dr. Arockiasamy joined the Faculty of University of Nizwa in 2007. Prior to his current position, he worked at a College affiliated to Bharathiar University since 1990. He was a HoD and Director, Department of Computer Science and Applications for 18 years in a reputed institution in India. He was also a Chairman of Computer Society of India, Coimbatore Chapter during the year 2006-07 and also a recipient of Chapter Patron Award for the year 2011 during CSI annual convention. He is also a recipient of a prestigious award, "Best Professor in Information Technology" by Asian Education Leadership Awards on 25th September 2012 at Dubai. This award is for his contributions in Teaching, Research and

Community Services. He is also a recipient of “Distinguished Leader in Science” Award, by Higher Education Leadership Award (HELA), Venus International Foundation on 6th January 2018 at the Hotel Le Meridian, Chennai. Recently, he has received an award, “Fabulous Global Education Leader” by World Education Congress on 4th July, at Hotel TajLand Ends, Mumbai. This award is for his contributions in the field of Education in different capacity.
