الجوائز والتقدير

2023: Participated as an Invited Speaker on Impact of Cognitive Behavioural Therapy on Control of Stress, Anxiety, and Depression in Relation to Academic Performance Among Nursing Students in the University, Al Dakhliya Governorate, Sultanate of Oman, The World Mental Health Conference, October 12, 2023, Al Masarra Hospital, Muscat

2016: Participated as an invited speaker - Nursing Documentation in Mental Health Workshop: from 3/5 -4/5/2016 at Al Masarra Hospital organized by Nursing Affairs Department in collaboration with Training and Staff Development.

Teaching Philosophy: The actual learning in nursing can be achieved by the integration of theory into practice through the application of critical thinking skills. As a teacher, I believe that the successful and effective learning will emerge from a meaningful connection between a student and a teacher.
