

Hussein Hasin AL Mufargi

Lecturer

*Civil and Environmental Engineering.
College of Engineering and Architecture
University of Nizwa, Sultanate of Oman*

Extension: 792

eMail: hussein.almufargi@unizwa.edu.om

Office Location: B27-11.

Marital Status: ...

Academic Qualifications

MEngSc in Structural Engineering, University College Dublin, 2021, Probabilistic Traffic Loading on Long Span Bridges

BEng (Hon`s) in Structural engineering, Technological University Dublin, 2018, The Effect of Timber Frame Rigidity on Lateral Stability

Research Activities

- Research Interests

Highway Engineering

Pavement Engineering

Bridge Engineering

Structural Engineering

Materials Science

Artificial Intelligence (Machine Learning and Deep Learning)

- Publications

Article:

1. 2025 [A Milestone Vision on The Applied Methodologies for Concrete Dam Health Monitoring](#)
2. 2024 [Pavement Deterioration Modeling of the International Roughness Index Based on Fuzzy Logic Approach](#)
3. 2024 [Utilising machine learning algorithms to predict the Marshall characteristics of asphalt pavement layers](#)
4. 2024 [Properties and Microstructure of Treated Coal Bottom Ash as Cement Concrete Replacement](#)

Faculty Administrative Experience

2024 - Present: Programme Coordinator for the Civil Engineering

2024 - Present: Member of the Committee for Establishing the College of Engineering Journal

2023 - Present: Member of the Internship Committee

2023 - Present: Member of the Academic Advisory Committee

2023 - Present: Member of the Examination Committee

Membership in Professional Bodies

2021-2023: Member of the Institution of Civil Engineering (ICE)

2019-2023: Member of the Institution of Structural Engineers (IStructE)

2018-Present: Member of the Institution of Engineers of Ireland (MIEI)
