Dr. Kumar is currently working as an assistant professor in Computer Science at the Department of Mathematical and Physical Sciences (DMPS), College of Arts and Sciences (CAS), University of Nizwa (UoN), Sultanate of Oman. He joined University of Nizwa in 2022 as an assistant professor in Computer Science. DMPS is the department running four sections in Science & Education: Computer Science (B.Sc. and B.Ed., Diploma and Master in Data Science), Statistics (B.Sc.), Physics (B.Sc., B.Ed.), and Mathematics (B.Sc., M.Sc., and B.Ed.). ************************ He has served as HoD of DMPS for holding responsibilities of all sections in summer 2023. Before joining UoN, He served as an Assistant and then Associate Professor in reputed university (Delhi University, Central University Haryana, Quantum University, Uttarakhand University) where he trained graduate, postgraduate, and PhD students in science and engineering domains on various academic and research problems. His research area belongs to Computer Vision, Data Science, and Artificial Intelligence, and image video processing for multidisciplinary applications. Some of the key research like is always encouraged for undergraduate/graduate and Ph.D. students to work in work in my supervision. Some of the current research problems are open for applications as follows:
****

1) Visual change detection: Video and image processing based well sounded problems referred as "Tracking, Detection, Localization and classification" it's not limited for e.g. Drone based farm tracking, fruit prediction, health healthcare tracking and disease modeling etc. ************** 2) Agriculture and Food quality enhancement** 3)

Sustainable development of the natural resources with data science algorithms.** 4) Human healthcare and societal issues: robotic surgery, tool technology for visually impaired people and connecting them with society.*** Without any delay drop and email the following things: naresh@unizwa.edu.om************** 1) Recent CV maintained all records with proof. *** 2) Report of previous work done.*** * 3) Proposal of research problem in which the candidate is interested.*** * 4) Two strong recommendations from the reputed research/academic institution.********* NOTE: Students, Trainees/, Research scholars are encouraged with university guidelines to pursue their goals with me.
