المؤهلات الأكاديمية

Certificate course in Project Management. Jiangnan University, Wuhan, China, 2015

FDP, IIMA, 2010

PhD, Mohanlal Sukhadia University, Udaipur, Rajasthan, India, 2004

Financial Statement Analysis. This course is essential for modern-day analysis of corporates. Effective analysis gives competitive advantage to the stakeholders in the increasingly competitive marketplace. This course equips the students to understand the decision-making relevance for investors, creditors, consultants, managers, auditors and the like, along with the analytical skills necessary to succeed in business. The course shall demonstrate relevance with applications to real world companies. The course covers accounting analysis and financial analysis including both equity and credit analysis, and both cash-based and earnings-based valuation models., Spring 2023, Fall 2023, Spring 2024

Graduation Project. This is a 6 credit course, it gives students an opportunity to solve real life problems with scientific research methodology., Spring 2023

Advanced Cost and Management Accounting, Master in Accounting course, Fall 2023

Advanced Auditing and Assurance, Master in Accounting, Spring 2024

Corporate Accounting, Accounting for large organisations with focus on Oman specific IFRS, Fall 2019
